## Owner's Manual

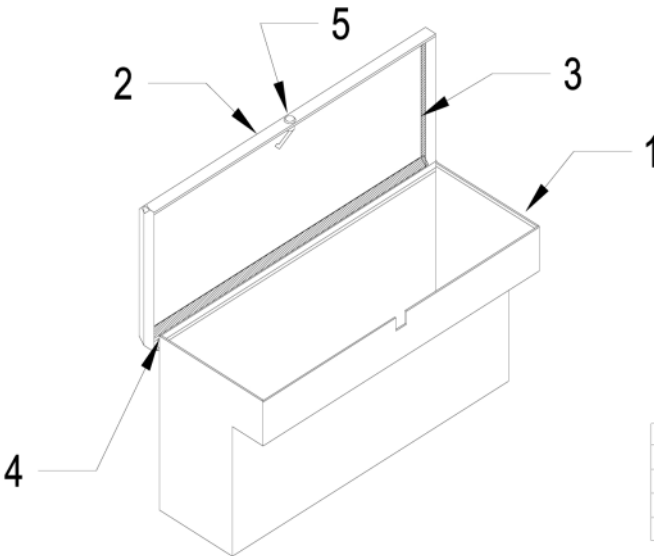

Congratulations on your purchase of Komodo UTV Bed Side Box. We build the boxes to be durable for years of trouble free use. We provide you the innovative design which allows the Side Box to give lockable, sealed, carrying space by mounting the box to the bed side and not reducing too much of the bed area. The box can be accessed or locked easily from outside the bed. With proper installation and maintenance the side box will be a reliable tool providing greater use and will increase the value of your UTV.
